+ LAYOUTS

THERE'S SIMPLY NO LIMIT TO SPACE

Sun Living is all about space. How to use it, how to make it flexible and how to make the most of it. And we know very well that the needs for comfort are not the same at day and during the night.

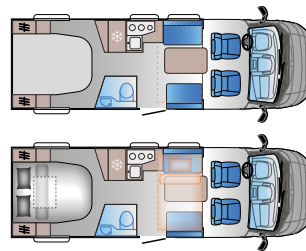

With this in mind we developed a couple of really unique layouts:

S 72DC & S 72DL

FOCUS ON THE DAY COMFORT

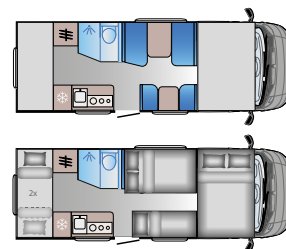

Simply more choice for those who adore more space and more comfort also in the front, day part of their motorhome.

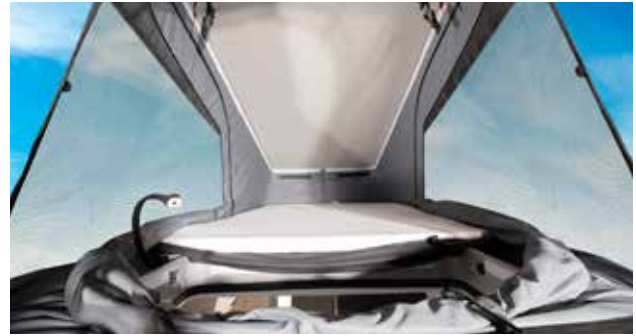

A 70DK

BIG GARAGE OR BUNK BED MODE

The lowest part of the bunk bed simply turns into the highest available garage box, offering more storage space and one comfortable bed (A 70DK).

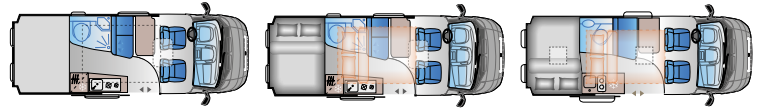

V 60SP TENTTOP & V 55SP TENTTOP

PLACE ON TOP OF SPACE

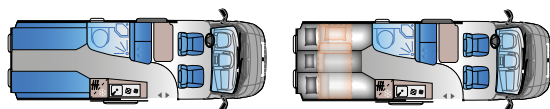

Simply more sleeping places, with two additional berths on the short layout and the roof view brings you closer to nature in comfort.

V 65SL & V 65XL

DAY OR NIGHT MODE

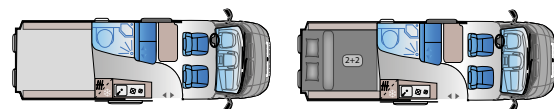

Simply convert the very comfortable day time living space into a big bedroom for 2, 3 or optionally 4 people in a matter of seconds.

V 65XL

PLACE FOR EVERYTHING

Extra large and flexible layout, with vario-space to the rear, usable for living and/or storage for all those with lots of gear.

GREAT TIMES, TRUE STORIES

C SERIES

FILIPPO and MICHELA

Between cities of art and historical villages, they live their journey called: #discovery. Always united, always on the move.

S SERIES

THE ERŽEN FAMILY

Nature and surfing life lovers, every day is a good day to live authentic experiences.

This is the story of those who have chosen to travel freely,
safely, simply and in a smart way, surrounded by a clear philosophy:
to have at their disposal everything and only what is necessary to get anywhere.
This is the story of real people and maybe it's yours too.

A SERIES

2MANY4GRANNY

Whether they are on four or two wheels
makes no difference, for them what matters
is to have fun sharing the same passion.

V SERIES

MARCO and STEFANIA

Climbing is their virtue, the true sense of freedom.
In their van they move nimbly between
the cliffs of half of Europe.

MOTORHOMES

The C Series is a simply great choice, for those whose stories take them further. Like for Filippo and Michela the C Series, provides a comfortable home on the move, for visiting far-away places.

THIS IS HOW YOU FIND THE PERFECT SUN LIVING FOR YOU

If you are considering purchasing a recreational vehicle, you are probably also unsure of where to start. With so many factors to consider, it can be an overwhelming experience for newcomers. We understand that.

Let us help with some essential factors to consider when purchasing a motorhome or a campervan, with a specific focus on Sun Living vehicles.

RENT BEFORE YOU BUY

It is wise to test different layouts and equipment levels. Many Sun Living dealers offer rental.

CONSIDER THE NUMBER OF PEOPLE

How many will travel? Sun Living is known for offering as many beds as seats on most layouts.

CHECK YOUR DRIVER'S LICENSE

Can you drive every motorhome? Sun Living offers vehicles below the 3,500 kg limit as standard, providing more load capacity.

THINK ABOUT STORAGE

Where will you store the vehicle when not in use?

Would a short and slender C Series be a better fit, for example?

DECIDE ON ACTIVITIES

Where will you go and what will you do?

Shorter and smaller vehicles may be more cost-effective on the road (tolls, ferry crossings) and simpler to use ...

MIND YOUR BUDGET

An entry-level priced vehicle is ideal for those attracted to Vanlife culture but not skilled at DIY work. Sun Living vehicles are also feature a durable polyester exterior that offers better protection against dents caused by the outside.

Whether you're an outdoor enthusiast or prefer city breaks, there's a motorhome that suits your needs. Purchasing a motorhome can be a fantastic way to explore new places and create unforgettable memories. As a newcomer, it's important to consider various factors when choosing the perfect motorhome for your lifestyle.

So, jump on board! Get ready to create simply great times with your new motorhome!

Visit sun-living.com/product-selector for simply easy product selector and technical data overview.
